

Flexible financing without the BIG down payment.

If you're working with prospects who are ready to buy a home, but not ready to make a large down payment, ask me about Freddie Mac's Home Possible[®] Mortgage solutions.

These loan products feature:

- Low down payment options
- Flexible credit requirements
- A choice of fixed-rate or adjustable-rate loans
- Reduced MI requirements

Working together, you can turn more prospects into homeowners and earn lasting loyalty. To learn more about Home Possible, contact:
